

How to Setup eAlerts

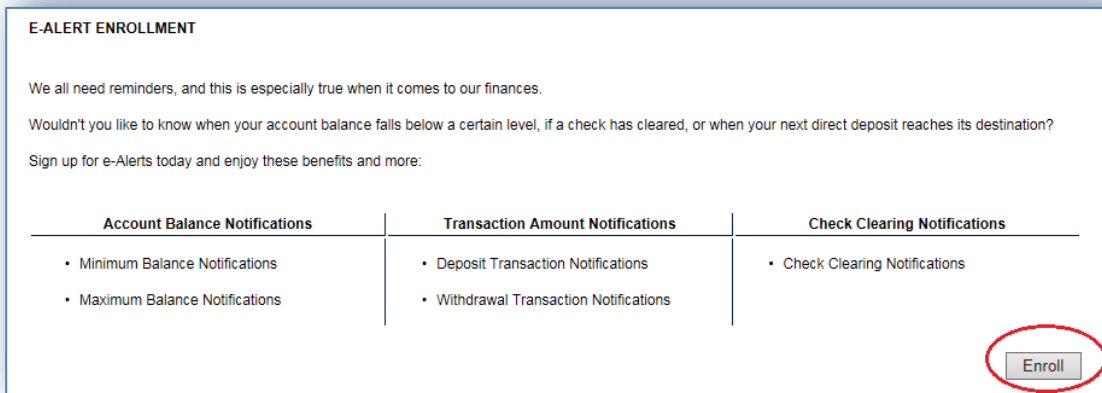

1. Click on the **Services** tab.

2. Click **Continue** next to eAlerts.

3. Click **Enroll**.

4. If you want to receive alerts on your cellphone, select your cellphone provider. Type your phone number at the beginning of the email. You may also add an email address to receive alerts.

Update Email/Text Address

e-Alerts for your accounts may be sent to any e-mail address or mobile phone (by text message) that you specify. You can set up to two (2) notification methods of emails and/or text messages.
