

## How to View Account Balance and History

1. Make sure you are on the NetTeller tab. Click **Accounts**.

2. A list of accounts should appear with the balance next to them.
3. To view the history on an account, click on the account in **red**.
4. By default, this page displays all transactions since the last statement. To see more or less, click on one of the options in **View Range**.

View Range: [Since Last Statement](#) | [7 Days](#) | [15 Days](#) | [30 Days](#) | [All](#)

5. To view another account, click the down arrow and select the account.
